

The Autumn weather brings with it a mixture of sunny, cool and rainy days. In order to be prepared for all occasions, please can you ensure your child brings a coat to school. We try, as much as possible, to play outdoors when we can.

Thank you for supporting us in our effort to continually improve pupil attendance. A telephone call must be made to the School Office on the morning of all absences to avoid a 'First day response call or a home visit.' Days of lost learning can have a significant impact upon a child's attainment and progress. We do not authorise holiday leave during term time as directed by the Government. If you are unsure about the school dates, please ask the office staff for a copy of the 2023/2024 Academic Calendar.

We have a variety of clubs, before and after school, and frequently encourage the children to participate. Reading is of high importance and we ask that children read at home 5 times per week, which is then initialled by an adult, in order to achieve positively and earn dojos. Please encourage your child to use the school provided platforms, MYoN and Accelerated Reader for online reading.
