

Year 6 pupils enjoyed an amazing three days of teamwork, challenge and fun at Whitemoor Lakes outdoor activity centre, Staffordshire, from Wednesday to Friday of last week. Working in groups, they overcame personal fears by undertaking a zipwire challenge, the Challenge course, Climbing and Archery to name but a few activities. They spoke positively about the meals provided and enjoyed participating in 'the tidiest room' daily challenge. Mrs Williams joined the children on their first evening as they enjoyed the disco—showing off their break dancing skills. Along with the children, I enjoyed the many games and singing of songs around the campfire on the second evening. The children spoke positively of the experience as we reflected in the evening whilst enjoying a mug of hot chocolate.

We will be returning to Whitemoor Lakes next year and hope our present Year 5 will be inspired by the stories shared by year 6.

A special 'thank you' to Mr Gordon, Miss Ullah and Miss Wilson who ensured the safety of all our children and despite being exhausted upon their return, also had great fun.

The school dentist

The school dentist visited the school. There were a great number of pupils who were seen by them and they praised the behaviour and positive attitude of the children.

Harvest Assembly

On Wednesday 18th October, Y3 will be presenting a Harvest Assembly to their parents. A separate letter has been sent from Mr Fowler requesting items of non-perishable food to be brought in to school to be placed on the harvest table. All food donated will be sent to the McCarthy Charity Foundation who support families within our local community.

Uniform

Please ensure black school shoes or black trainers only are worn to school. There are many unsafe earrings, e.g. hoops, being worn to school, please ensure only small studs are worn.

Home Time Collection

Just a reminder—Children being collected from school at 3.15pm must be collected by an adult of 18 Years +

If you are sending an adult who doesn't usually collect, please call to office so this can be passed onto the class teacher.

Breakfast

Recently, a number of children are coming into school without eating breakfast. Breakfast is essential to give the children the best start to their day.

We run a breakfast club each day from 8am for the cost of £1.00 a child per day. If you are interested, please register with the office.
