

2021/2022 PE AND SPORT PREMIUM DEVELOPMENT PLAN

EVIDENCING THE IMPACT & SUSTAINABILITY

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The school sport and activity action plan sets out the government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day. It recommends 30 minutes of this is delivered during the school day (in line with the Chief Medical Officer guidelines which recommend an average of at least 60 minutes per day across the week).

The PE and sport premium can help primary schools to achieve this commitment, providing primary schools with £320 million of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools, so they have the flexibility to use it in the way that works best for their pupils.

PE AND SCHOOL SPORT PREMIUM: THE PURPOSE

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2021 to 2022 academic year, to encourage the development of healthy, active lifestyles.

VISION: GOVERNMENT VISION

All pupils leaving primary school will be physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

VISION: SCHOOL VISION

Blackthorn Primary schools' vision is to enrich the lives of our children in PE and Sport.

FUNDING OBJECTIVES

Schools must use the funding to make **additional** and **sustainable** improvements to the quality of the physical education (PE), physical activity and sport they provide. This includes any carried forward funding from the 2020 to 2021 academic year, which must be spent by 31st July 2022.

This means that you should use the PE and sport premium to:

- develop or add to the PE, physical activity and sport that your school provides
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- To develop the competence of children in water.
- Enrich the curriculum with a focus on Dance

KEY OUTCOME INDICATORS: UPDATED 2021/2022

Schools can use the funding to secure improvements in the following indicators;

Key outcome indicator 1: Engagement of all pupils in regular physical activity

For example, by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim (funding can only be used for additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons and should not be used for core swimming provision).

Key outcome indicator 2: Profile of PE and sport is raised across the school as a tool for whole-school improvement

For example, by:

- actively encourage pupils to take on leadership or volunteer roles that support the delivery of sport and physical activity within the school (such as 'sport leader' or peer-mentoring schemes)
- embedding physical activity into the school day through encouraging active travel to and from school, active break times and holding active lessons and teaching

Key outcome indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport

For example, by:

- providing staff with professional development, mentoring, appropriate training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches and PE specialists to work alongside teachers to enhance or extend current opportunities offered to pupils

Key outcome indicator 4: Broader experience of a range of sports and activities offered to all pupils

For example, by:

- introducing a new range of sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sports and physical activities and clubs
- providing more and broadening the variety of extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sports organisations

Key outcome indicator 5: Increased participation in competitive sport

For example, by:

- increasing and actively encouraging pupils' participation in the School Games
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations

EVIDENCING THE IMPACT: REVIEW OF PE AND SCHOOL SPORT PREMIUM EXPENDITURE 2021/2022

Key priorities to date	Key achievements & Impact	How will these achievements be sustained or further developed in 2022/2023?
1. Engagement of all pupils in regular physical activity	Key ACHIEVEMENTS

SWIMMING: MEETING THE NATIONAL CURRICULUM REQUIREMENTS FOR SWIMMING & WATER SAFETY

- Swimming is a national curriculum requirement
- The 3 requirements for swimming and water safety are that by the end of key stage 2 pupils should be taught to:
 - swim competently, confidently and proficiently over a distance of at least 25 metres
 - use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
 - perform a safe self-rescue in different water-based situations

You can use your funding for:

- Professional development and training that are available to schools to train staff to support high quality swimming and water safety lessons for their pupils
- Additional top-up swimming lessons to pupils who have not been able to meet the 3 national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water

Schools are required to annually publish information on the percentage of their pupils in year 6 who met each of the 3 swimming and water safety national curriculum requirements

Outcome	% of pupils achieving outcome				
	2017/2018	2018/2019	2019/2020	2020/2021	2021/2022
Swim competently, confidently and proficiently over a distance of at least 25 metres	55%	42%	54%	No swimming has taken place due to the Covid-19 pandemic	
Use a range of strokes effectively; front crawl, backstroke and breaststroke	28%	25%	40%		
Perform safe self-rescue in different water-based situations	55%	42%	54%		
The premium may also be used to provide additional top-up swimming lessons to pupils who have not been able to meet the national curriculum requirements for swimming and water safety after the delivery of core swimming and water safety lessons. At the end of key stage 2 all pupils are expected to be able to swim confidently and know how to be safe in and around water. Have you used any funding for this purpose?		No	Yes (swimming club)	No (Covid-19)	Yes (Two-year groups attending swimming)

PE & SCHOOL SPORT DEVELOPMENT PLAN

2020/2021 Underspend ✓ Section below must be completed for any 2020/2021 funding being carried forward ✓ Must be spent by 31 st July 2022		£8,704	SUB TOTAL	£8,704
2021/2022 Funding ✓ Must be allocated and spent by 31 st July 2021		£16,000 + £10 per pupil (Year 1 – Year 6)	SUB TOTAL	£17,890
			GRAND TOTAL	£26,594

Provide opportunities for children with SEND to access appropriate competitions	Ensure that all children that have been identified with SEND have the opportunity to thrive in competitive sport. Offering opportunities to represent the school in mainstream, inclusive, project ability or intra-school activities.	£0 (included with the SSP Standard package)	£0	The school has accessed all the available inclusive competitions available. Inclusive sports are part of the curriculum and Intra-School competitions are available during school.	Promote opportunities for SEND children to develop leadership roles with Young Leaders and School Sports Organisers Crew
Host a School Games Day that culminates in a year round programme of PE and school sport	Plan and deliver a School games day inclusive for all children.	£0	£0	All children to participate Ensure school game format is provided in activities	Evaluate the success Develop more roles for children to undertake during the event.
Provide opportunities for all children to access personal challenge activities	Personal challenges to be delivered by Young leaders during break/ Lunchtimes	£0	£0	Data to be uploaded to You School Games website.	Upskill Young leaders and staff to sustain the personal challenges
Provide opportunities for all children to access Intra-School Competitions	Organise and deliver intra-school during PE and lunchtimes. The competitions will be school games compliant and you leader will lead.	£0	£0	Evidence from photos, Social media, newsletters, celebration assemblies and tracked on the schools PE tracker.	Review the competitions each year.
Provide opportunities for broad range of children	Access the SSP competitions and festivals Enter into the Boys and Girls County Football competitions Organise fixtures, festivals and competitions between other schools	£0 (included in SSP)	£0	Evidence with photos, Social media, newsletters. Also tracked on the schools PE tracker	Upskill staff to manage teams, ensure all children have the opportunity to access a broad range of opportunities.

Accountability

It is a statutory requirement of Ofsted, under their Common Inspection Framework, to ensure that information on the use of the Primary PE and Sport Premium is available on your school website. One of the key purposes of putting information on the school website is to keep parents informed, so this information should be written in a format that is clear and easily accessible.

Completed by:	Andy Stevens					Date:	14/12/2021	
Document updated	14/12/2021							

Department for Education guidance on how to use the Primary PE and Sport Premium – updated October 2021

Physical activity has numerous benefits for children and young people's physical health, as well as their mental wellbeing (increasing self-esteem and emotional wellbeing and lowering anxiety and depression), and children who are physically active are happier, more resilient and more trusting of their peers. Ensuring that pupils have access to sufficient daily activity can also have wider benefits for pupils and schools, improving behaviour as well as enhancing academic achievement.

The school sport and activity action plan sets out the government's commitment to ensuring that children and young people have access to at least 60 minutes of sport and physical activity per day. It recommends 30 minutes of this is delivered during the school day (in line with the Chief Medical Officers guidelines which recommend an average of at least 60 minutes per day across the week).

The PE and sport premium can help primary schools to achieve this commitment, providing primary schools with £320 million of government funding to make additional and sustainable improvements to the quality of the PE, physical activity and sport offered through their core budgets. It is allocated directly to schools, so they have the flexibility to use it in the way that works best for their pupils.

Schools must use the funding to make additional and sustainable improvements to the quality of physical education (PE), physical activity and sport you offer.

This means that you should use the premium to:

- Develop or add to the PE, physical activity and sport activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools can use the premium to secure improvements in the following indicators:

1. The engagement of all pupils in regular physical activity – the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

What should your funding NOT be used for?

The Secretary of State does not consider the following expenditure as falling within the scope of additional or sustainable improvement:

- Employ coaches or specialist teachers to cover planning preparation and assessment (PPA) arrangements – these should come out of schools' core staffing budgets
- Teaching the minimum requirements of the national curriculum PE programmes of study – including this specified for swimming
- Fund capital expenditure - DfE does not set the capitalisation policy for schools, if you are in any doubt as to whether your proposed spending is deemed as capital expenditure, you should first speak with your school business manager or school accountant and their auditors

Active Miles

If schools choose to take part in an active mile, they should use existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

Accountability

School compliance

You are accountable for how you use of the PE and sport premium funding allocated to you. You are expected to spend the grant for the purpose it was provided – to make additional and sustainable improvements to the PE, sport and physical activity offered. Schools and local authorities must follow the terms and conditions in the conditions of the grant documents. <https://www.gov.uk/government/publications/pe-and-sport-premium-conditions-of-grant-2021-to-2022>

Online reporting

Schools must publish details of how you spend your PE and sport premium funding by the end of the summer term or by **31 July 2022 at the latest**.

Online reporting must clearly show:

- the amount of PE and sport premium received
- a full breakdown of how it has been spent
- the impact the school has seen on pupils' PE, physical activity, and sport participation and attainment
- how the improvements will be sustainable in the future

You are also required to publish the percentage of pupils within your year 6 cohort in the 2020 to 2021 academic year who met the national curriculum requirement to:

- swim competently, confidently and proficiently over a distance of at least 25 metres
- use a range of strokes effectively, for example, front crawl, backstroke and breaststroke
- perform safe self-rescue in different water-based situations

Attainment data for year 6 pupils should be provided from their most recent swimming lessons. This may be data from years 3, 4, 5 or 6, depending on the swimming programme at your school. It is essential to retain attainment data from swimming lessons in years 3 to 5 to be able to report this accurately in year 6.

Review of online reports

School online reporting will be monitored by DfE. We will sample a number of schools in each local authority to review what they have published on their use of the funding and their swimming attainment. Schools are expected to spend the grant for the purpose that it was provided only, in accordance with the conditions of the grant, to make additional and sustainable improvements to the PE, sport and physical activity provided.

Payment dates for the 2020/2021

Maintained schools, including PRU's and general hospitals

Maintained schools, including PRUs and general hospitals, do not receive funding directly from DfE. We give the funding to your local authority and they pass it on to you.

We give local authorities PE and sport premium funding for maintained schools in 2 separate payments. They receive:

- 7/12 of your funding allocation on 29th October 2021
- 5/12 of your funding allocation on 29th April 2022

Academies, free schools and CTCs

We send academies, free schools and CTCs their PE and sport premium funding in 2 separate payments. You receive:

- 7/12 of your funding allocation on 2nd November 2021
- 5/12 of your funding allocation on 3rd May 2022

Non-maintained special schools

We send non-maintained special schools their PE and sport premium funding in 2 separate payments. You receive:

- 7/12 of your funding allocation on 2nd November 2021
- 5/12 of your funding allocation on 4th May 2022
