

Welcome to Acorn Class! We are looking forward to welcoming children to our Nursery Class.

This Curriculum newsletter aims to give you an insight into what we will be learning this term.

Please talk to your child about what he/she is learning at school.

Our Topic

This term we are learning all about Minibeasts! We will be exploring this topic by reading books, going on minibeast hunts and creating minibeast art and crafts! So far, the children have shown a keen interest in minibeasts and love looking for them outside in the outdoor area! The children are keen to show their peers what they have found and talk about their findings.

We will also be continuing to support children in forming friendships, following nursery routine and sharing resources with each other 😊

Reading Books

It is lovely to see that the children are engaging with the books that are being sent home and taking an interest in prints and illustrations. Please could we ask that you write us a short note in the Reading Record book to let us know if they've enjoyed the story. If you want to change your child's book please bring it in and a member of staff will swap it for you. Thank you!

Reminders

Please can you make sure your child brings in a water bottle each day with fresh water; ensure all jumpers are labelled and bring a coat for any wet weather. Nursery love to get involved with messy play so there may be times the children come home a little bit messy – but they have just had lots of fun exploring! Now that the weather is getting warmer please could we also ask that parents bring in a sun hat for the children to keep in their lockers. We ask that parents apply sun screen to their children at home, before they come for their session. Thank you 😊

Tapestry

Thank you to all the parents for sharing with us the fantastic learning their children have been doing at home! Please upload either a photo or video on to Tapestry. If you need any support please speak to a member of EYFS team.
